

## **GREAT WAYS TO PLAY!**

With a cool new game like Spin Soaker, it's fun to think of ways it could be played. Here are just a few possible play options:

**"Spin Cycle"**: Players spin 10 times, and the one who got soaked the highest number of times wins (and needs a towel!)

**"Spin Dry"** Each of 4 people takes a turn spinning the wheel and pulling the handle. One by one players get wet – the one who stays dry longest wins.

**"Fundraiser"**- Players are charged a fee to be seated and play the game. If they get soaked, they get a prize. (For fundraising the playing fee must be higher than the prize value).

**"Musical Spin Soaker Chairs"** – Combine the traditional "Musical Chairs" game with Spin Soaker. When the music stops, players sit down at chairs and spin the Soaker Wheel. Whoever gets wet is "out", and the remaining players continue until there's a winner.

**"Eyes Closed"** - Players close their eyes and a 5<sup>th</sup> person spins the Soaker Wheel. The soaking comes as a surprise to one player, and a relief to the others.

Have other ideas? We'd love to add to this list. Send your suggestions to [info@whirlwhims.com](mailto:info@whirlwhims.com).
